## DOT-MATRIX RECEIPT PRINTER

High durability dot-matrix printer is the smart choice for PC or POS systems.

The new Samsung SRP-270 series two-color dot-matrix printer combines high reliability and high print quality with low cost of ownership. The SRP-270 is an ideal printer to install in any environment with high volume and high quality requirements. Customers can select from three SRP-270 models (SRP-270A manual tear; SRP-270C auto-cutter; SRP-270D auto-cutter with paper take-up). The SRP-270 offers a compact design in two different cabinet colors (chic white and dark gray). The SRP-270 features the most current interface options including serial, parallel, RS-485 and USB.
